

We are looking forward to having you join us for the Fall 2023 – PhD Plus Foundation Series starting on Thursday, October 5 at 3:30 pm in Rouss & Robertson Hall (RRH), Room 258.

HOW TO GET THERE

There are multiple entrances to RRH, from the Lawn and the south and east side of the building which are closer to the School of Medicine. Since there has been construction on multiple sides of the building, please schedule some extra time to locate the room before the first session and use the instructions below to help you locate the most convenient entrance. *Note—most of the elevators only operate between floors 1 and 3.*

From the Lawn

To reach the RRH 258 from the Lawn (west entrance), enter from the south lawn (closer to Old Cabell Hall; opposite end from the Rotunda). Go into “Rouss Hall” which puts you on the 4th floor. Take the stairs or elevators in the atrium down two floors to the 2nd floor. Follow signs to room 258.

From the School of Medicine side (east entrance):

At the intersection of JPA, Brandon Avenue, and Ruppel Drive (at the traffic light). Walk up the stairs or ramp and then follow the detour signs for the “Lawn & Hospital Drive Access.” At the top of the stairs (adjacent to New Cabell Hall), look for the entrance to RRH. Go in this entrance which puts you on the 3rd floor. Take the elevator or stairs to the 2nd floor, and follow signs to room 258.

From Hospital Drive: (east entrance)

Walk up the stairs to the right of Varsity Hall. At the top of the stairs hang left toward “Robertson Hall.” At the entrance, follow the signs toward the right-side entrance which puts you on the 2nd floor. If this entrance is closed due to construction, walk up the stairs to the front of the building and enter from the Lawn (see instructions above). Follow signs to room 258.

Disability/ limited mobility access:
